HIGH LANE

New crushed stone track

Existing YW Apparatus position

Pond

135' x 90' (41.1 x 27.4m) Agricultural building shown thus.

Building to be offset 4m from dry stone field wall as indicated. Centre of proposed building to line through with perpendicular wall as indicated

NB New 20' wide (double gated) access formed. New access to be 10m further South West from existing field access.

Double galvanised field gates to new opening.

Existing opening to be walled up in dry stone wall.

New 12' wide rural crushed stone track to East side of proposed building.

Note building and access relocated to increase distance from sensitive receptors and to move away from YW apparatus

1:500
