Dear Joe

PROTECTIVE FENCING PROPOSALS AS PER DRAWING L7941-10

Following your email dated 23rd July I have pleasure in enclosing an amendment to drawing L7941.10 which now incorporates the comments made by Zoe Wareham.

We have removed any reference to timber posts, the uprights will be scaffold poles driven into the ground. We have also added a note in relation to the bracing of the fence. We propose to fix the warning signs at 30 metre centres along the fence.

I hope the amendments are satisfactory and I look forward to hearing from you.

Yours sincerely
