Are there trees or hedges on the proposed development site? ○ Yes ◉ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? ○ Yes ◉ No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

11. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.) ○ Yes ◉ No

If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? ○ Yes ◉ No

Will the proposal increase the flood risk elsewhere? ○ Yes ◉ No

How will surface water be disposed of?

☐ Sustainable drainage system

☐ Existing water course

☐ Soakaway

☑ Main sewer

☐ Pond/lake

12. Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species:

○ Yes, on the development site
○ Yes, on land adjacent to or near the proposed development
◉ No

b) Designated sites, important habitats or other biodiversity features:

○ Yes, on the development site
○ Yes, on land adjacent to or near the proposed development
◉ No

c) Features of geological conservation importance:

○ Yes, on the development site
○ Yes, on land adjacent to or near the proposed development
◉ No

13. Foul Sewage

Please state how foul sewage is to be disposed of:

13. Foul Sewage

- [x] Mains Sewer
- [ ] Septic Tank
- [ ] Package Treatment plant
- [ ] Cess Pit
- [ ] Other
- [ ] Unknown

Are you proposing to connect to the existing drainage system? (•) Yes ( ) No ( ) Unknown

If Yes, please include the details of the existing system on the application drawings. Please state the plan(s)/drawing(s) references.

The new roofs will drain to the existing rw outlets so there will be no change to the current situation .

14. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste? ( ) Yes (•) No

Have arrangements been made for the separate storage and collection of recyclable waste? ( ) Yes (•) No

15. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste? ( ) Yes (•) No

16. Residential/Dwelling Units

Due to changes in the information requirements for this question that are not currently available on the system, if you need to supply details of Residential/Dwelling Units for your application please follow these steps:

1. Answer 'No' to the question below;
2. Download and complete this supplementary information template (PDF);
3. Upload it as a supporting document on this application, using the 'Supplementary information template' document type.

This will provide the local authority with the required information to validate and determine your application.

Does your proposal include the gain, loss or change of use of residential units? ( ) Yes (•) No

17. All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace? (•) Yes ( ) No

If you have answered Yes to the question above please add details in the following table:

Use Class	Existing gross internal floorspace (square metres)	Gross internal floorspace to be lost by change of use or demolition (square metres)	Total gross new internal floorspace proposed (including changes of use) (square metres)	Net additional gross internal floorspace following development (square metres)
B1 (c) - Light industrial	192	0	33	33
Total	192	0	33	33

For hotels, residential institutions and hostels please additionally indicate the loss or gain of rooms:

18. Employment

Will the proposed development require the employment of any staff? ( ) Yes (•) No

19. Hours of Opening

Are Hours of Opening relevant to this proposal? ◉ Yes ○ No

If known, please state the hours of opening (e.g. 15:30) for each non-residential use proposed:

Use	Monday to Friday	Saturday	Sunday and Bank Holidays	Unknown
B1 (c) - Light industrial	Start Time: End Time:	Start Time: End Time:	Start Time: End Time:	X

20. Industrial or Commercial Processes and Machinery

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

he property is used for PES Ltd Engineering Services, a company who provide engineering services to support off-Road Design, Manufacture & Preparation of Competition Motorcycles. In the building there carry out various Engineering operations .They provide services in Surface Grinding, Cylindrical Grinding, Glass Bead Blasting, Chemical Cleaning of Castings, Valve Guide Replacement etc... to assist off road vehicles. In addition to this the manufacture various metal engineers componants .
The new floor area space is for storage to serve the above.

Is the proposal for a waste management development? ○ Yes ◉ No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make it clear what information it requires on its website

21. Hazardous Substances

Does the proposal involve the use or storage of any hazardous substances? ○ Yes ◉ No

22. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land? ◉ Yes ○ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

- ○ The agent
- ◉ The applicant
- ○ Other person

23. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? ○ Yes ◉ No

24. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent. ○ Yes ◉ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

25. Ownership Certificates and Agricultural Land Declaration

CERTIFICATE OF OWNERSHIP - CERTIFICATE A - Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14

25. Ownership Certificates and Agricultural Land Declaration

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

*** 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.

Person role

- ○ The applicant
- ◉ The agent
