Thanks.

I dont follow the para below....

I will ring him

Are we ok now to submit?

Andrew

Separate 2 bed accommodation

No concerns if occupied by 2. But the developer must be aware it is converted and is let to a Couple and a single person then it will be classed as an HMO , and the mean of escape via the kitchen would become an issue. And it would be subject to further fire safety requirements

If it was does fall into HMO category the main issue would have is with the mean of escape via the kitchen not being acceptable and he would need to consider fire separation and secondary mean of escape in addition to enhanced fire detection.
