Subject: Change of Use of Empty Shop to Fish & Chip Shop

Location: Unit 2, Rotherham Road, Monk Bretton, Barnsley. S71 2QR

Dear Mr Kirkham

We have enclosed the duly completed application form to change the use of the current empty shop unit to a fish and chip shop, both my wife and I currently run a shop in Shafton, this new addition (if we are successful in our application) will be in addition to our existing shop, the shop in Shafton trades as Woody's Fish and Chips and we have most recently been awarded 4 Scores on the doors by the BMBC health and hygiene department. Mr Alan Fishwick from that department has visited the proposed new site and seems confident with our intended plans for this empty unit.

We anticipate employing a further 5 to 7 part time staff as well as 1 full time member of staff at the new site if we are successful with our application.

If you require any further details then please do not hesitate to contact me further on either [redacted]

Yours sincerely
