Dear Hamish

Discharge of conditions 33 (Construction Method Statement and Air Quality Management Plan) and 51 (Construction Method Statement and Air Quality Management Plan) relating to Phase 3 site only (North of Dearne Valley Parkway).

of outline planning permission 2019/1573, and to north and south of Dearne Valley Parkway.

I refer to the discharge of condition application relating to phase 3 only referenced above and to the document submitted in support:

Condition 4 – CEMP Gateway 36 G1144 REV E1 received 110523

The above document has been reviewed by specialist officers from Highways, Pollution Control who agree that the contents are satisfactory. As a result, I am happy to confirm that the following conditions can be discharged:

Discharge of conditions 33 (Construction Method Statement and Air Quality Management Plan) and 51 (Construction Method Statement and Air Quality Management Plan) of 2019/1573.

Kind regards

Joe Jenkinson BA (Hons) MSc
