Dear Mr Lee,

RE: DEMOLITION OF BARNS AT Hill TOP FARM, BELONGING TO RONALD WARTTIG ADJACENT TO EASTFIELD HOUSE, EASTFIELD LANE, THURGOLAND S35 7AY BARNSLEY METROPOLITAN COUNCIL PLANNING APPLICATION NO 2007/2125

Further to our letter dated 24th March. We met with Mr Warttig on 27th March. We can confirm that Mr Paul Fletcher of Doyle Partnership conducted a survey of our boundary walls on 29th March and that we received a copy of his inspection report on 3rd April 2010. The structural report on the condition of our boundary walls is acceptable.

Mr Warttig has also appointed a party wall surveyor from the LHL Group and the initiating survey was conducted on 29th March. Again, we can confirm that we received the Party Wall Notice from LHL on 3rd April 2010, and that we have now notified LHL of our intention to instruct our own party wall surveyor to complete a second, independent survey as soon as possible, as is appropriate in the progression of this matter.

Yours sincerely,

Prof BK Campbell and Prof HM Campbell
