REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2017/0580

Mr Gary Benson
The Granary
Cork Lane
Worsbrough Dale
Barnsley
S70 3QG

Proposal Erection of extension to existing outbuilding
At The Granary, Cork Lane, Worsbrough Dale, Barnsley, S70 3QG

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 04 May 2017and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The site lies within the Green Belt on the approved Barnsley Unitary Development Plan. The proposed development would be contrary to NPPF paragraph 89, and UDP Policy GS8E in that the total size of the proposed and previous extensions would exceed the size of the relevant part of the original building, and in the opinion of the Local Planning Authority no very special circumstances exist that would justify the granting of planning permission in this instance.

2 The site is located in a sensitive location within the historic curtilage of Swaithe Hall which is a grade 2 Listed Building and is within close proximity to several other Listed Buildings. The proposed extension, given its unusual plan form, does not follow existing historic precedents or reflect the character of the host dwelling or building to which it is attached, and is excessive in scale in relation to The Granary. Furthermore, the proposed elevations are punctuated with numerous openings and windows which, as a design, clearly take it out of the agricultural vernacular and firmly into modern domestic, which in this sensitive setting is undesirable. As a result, the proposal would be contrary to CSP 29, CSP 30 and SPD 'House Extensions'.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- *a fine of up to £50,000 and*
- *up to six months imprisonment on conviction*

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within twelve weeks of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
