Please state why a Lawful Development Certificate should be granted:

Horizon Care & Education Group Ltd operates a number of houses providing residential care for disadvantaged young people. This is a vital service that enables the local authority to fulfill its legal obligation to provide a safe environment for each young person that needs this level of guidance and support, which cannot be provided within his or her own family home.
As part of the Group's ongoing expansion to meet the needs of the local authorities it provides services to, we are seeking to obtain a Certificate of Lawful Use for this house. The house will continue to be a residential property for no more than 4 young people who will live there, each having their own bedroom and residing in the home as a permanent residence, therefore I do not believe there will be a material change in its use. There will be 2 carers on site working on a 24 hour shift pattern, hence the numbers of people 'dwelling' at the property will be the same as a normal family unit for this size of property.
