

## **REFUSAL OF PLANNING PERMISSION**

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2017/1311

**To** Mr David Hawkes  
29 South View Road  
Hoyland  
Barnsley  
S74 9EB

**Proposal** Erection of 1 no. bungalow

**At** Land at Meadow Crescent, Royston, Barnsley, S71 4DH

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 09 October 2017 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

*Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.*

- 1 In the opinion of the Local Planning Authority the proposed dwelling would be contrary to saved policies H8A and H8D of the Unitary Development Plan, Core Strategy Policy CSP 29, the Council's Supplementary Planning Document 'Designing New Housing Development', and the NPPF, in that the small size and confines of the application site, and relationship with adjacent properties, means that any dwelling would appear cramped within this restricted site. The proposal therefore represents an undesirable form of infill development and as a consequence, would emerge as an incongruous feature in the street scene to the detriment of visual amenity.
- 2 In the opinion of the Local Planning Authority, the proposed development is contrary to saved UDP Policy H8D, Core Strategy Policy CSP29 and the Council's Supplementary Planning Document 'Designing New Housing Development' in that the proposed dwelling would be materially detrimental to the amenities of the adjacent properties by reason of a loss of privacy, overbearing impact and disturbance from increased residential activity. In addition, the close relationship to adjacent dwellings and their habitable room windows would mean that the proposed dwelling would suffer from substandard privacy and outlook.
- 3 In the opinion of the Local Planning Authority, the proposal would represent over development of the site, in that there is insufficient space to provide adequate private amenity space, contrary to the Council's Supplementary Planning Document, Designing New Residential Development and CSP29 of the Core Strategy.

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
