
proposed site layout at 1:200

All surface water from dwellings to discharge into individual soakaways within plot curtilage (subject to a satisfactory percolation test)

Access road drainage will be to soakaways

Existing contours are shown in a broken line

This site plan to be read in conjunction with landscape plan prepared by FDA Landscapes

- Position of Heras fencing

Rev. A Plot 4 slightly repositioned, rear gable projection omitted all to improve separation distances. Note regarding obscure glazing to side elevation of plot 3 added
