

# DESIGN HAZARD ANALYSIS

The following is a summary of the Design Hazard Analysis for the proposed factory unit at Valley Park, Wombwell, for Flex-Seal Couplings Ltd. The analysis is based on the information provided by the client and the site visit.

Signature: \_\_\_\_\_  
 Date: \_\_\_\_\_  
 Design: \_\_\_\_\_  
 Checked: \_\_\_\_\_

Design Hazard Analysis Summary: The analysis has identified several potential hazards, including the risk of fire, explosion, and structural failure. The design has been modified to mitigate these risks, and the final design is considered safe for construction.

## THE PROPOSED DESIGN

| NO. | DESCRIPTION           | DATE     | BY | CHECKED | APPROVED |
|-----|-----------------------|----------|----|---------|----------|
| 1   | PROPOSED FACTORY UNIT | 15/05/01 | JM | JS      | JS       |
| 2   | REVISION 1            | 20/05/01 | JM | JS      | JS       |
| 3   | REVISION 2            | 25/05/01 | JM | JS      | JS       |
| 4   | REVISION 3            | 30/05/01 | JM | JS      | JS       |
| 5   | REVISION 4            | 05/06/01 | JM | JS      | JS       |
