Application No: 2016/0968

Applicant: Damian Hosker

Location: Hall Farm, Church Street, Brierley, Barnsley, S72 9JR

Description: Application for determination as to whether prior approval is required as to the siting and appearance of replacement telecommunications antennae on existing mast

The Council has considered this application and has determined that prior approval is not required in relation to the siting and design of the telecommunication equipment as described above and detailed on the submitted plans and other documents.

The development must be started within five years of this decision date and the works must be carried out in accordance with the details as submitted on the above plans.

Signed:

Head of Planning and Building Control
