Reference:

Date (DD/MM/YYYY): 26/06/2012 (Must be pre-application submission)

Details of the pre-application advice received:

The property is located within a predominantly residential area and is classed as Housing Policy Area in the Barnsley Unitary Development Plan. As such, the conversion of the building into residential units is acceptable in principle. There are 12 parking spaces on site which exceed the Councils requirements for such properties and the building is also set within its own grounds so could provide shared amenity space for future residents. No exact internal layouts have been provided with the application, therefore, I cannot comment on the level of accommodation afforded to the future residents. However, the scheme should be designed in line with the South Yorkshire Residential Design Guide standards which are outlined below.
