**BARNSLEY METROPOLITAN BOROUGH COUNCIL**
**HEDGEROW REGULATIONS 1997**

# HEDGEROW RETENTION NOTICE

**Issued by:** Barnsley Metropolitan Borough Council ("the Council")

**1. This is a formal notice** which is issued by the Council under the Hedgerow Regulations 1997 in response to an application received by the Council on 31st August 2016 from the tenants of the farm business tenancy ("the Owner") of hedgerows identified in the application (planning reference number 2016/1104) and paragraph 2 of this Notice ("the Hedgerow Removal Notice"). The application was in a form substantially to the same effect as the form in Schedule 4 of the Hedgerow Regulations 1997

**2. The hedgerows affected by the notice**

The hedgerows on land at Burntwood Road Grimethorpe identified on the attached plan and applied for in the Hedgerow Removal Notice (the Hedgerows")

**3. Notice**

The Council hereby gives the Owner notice that the removal of the Hedgerows may **NOT** be carried out.

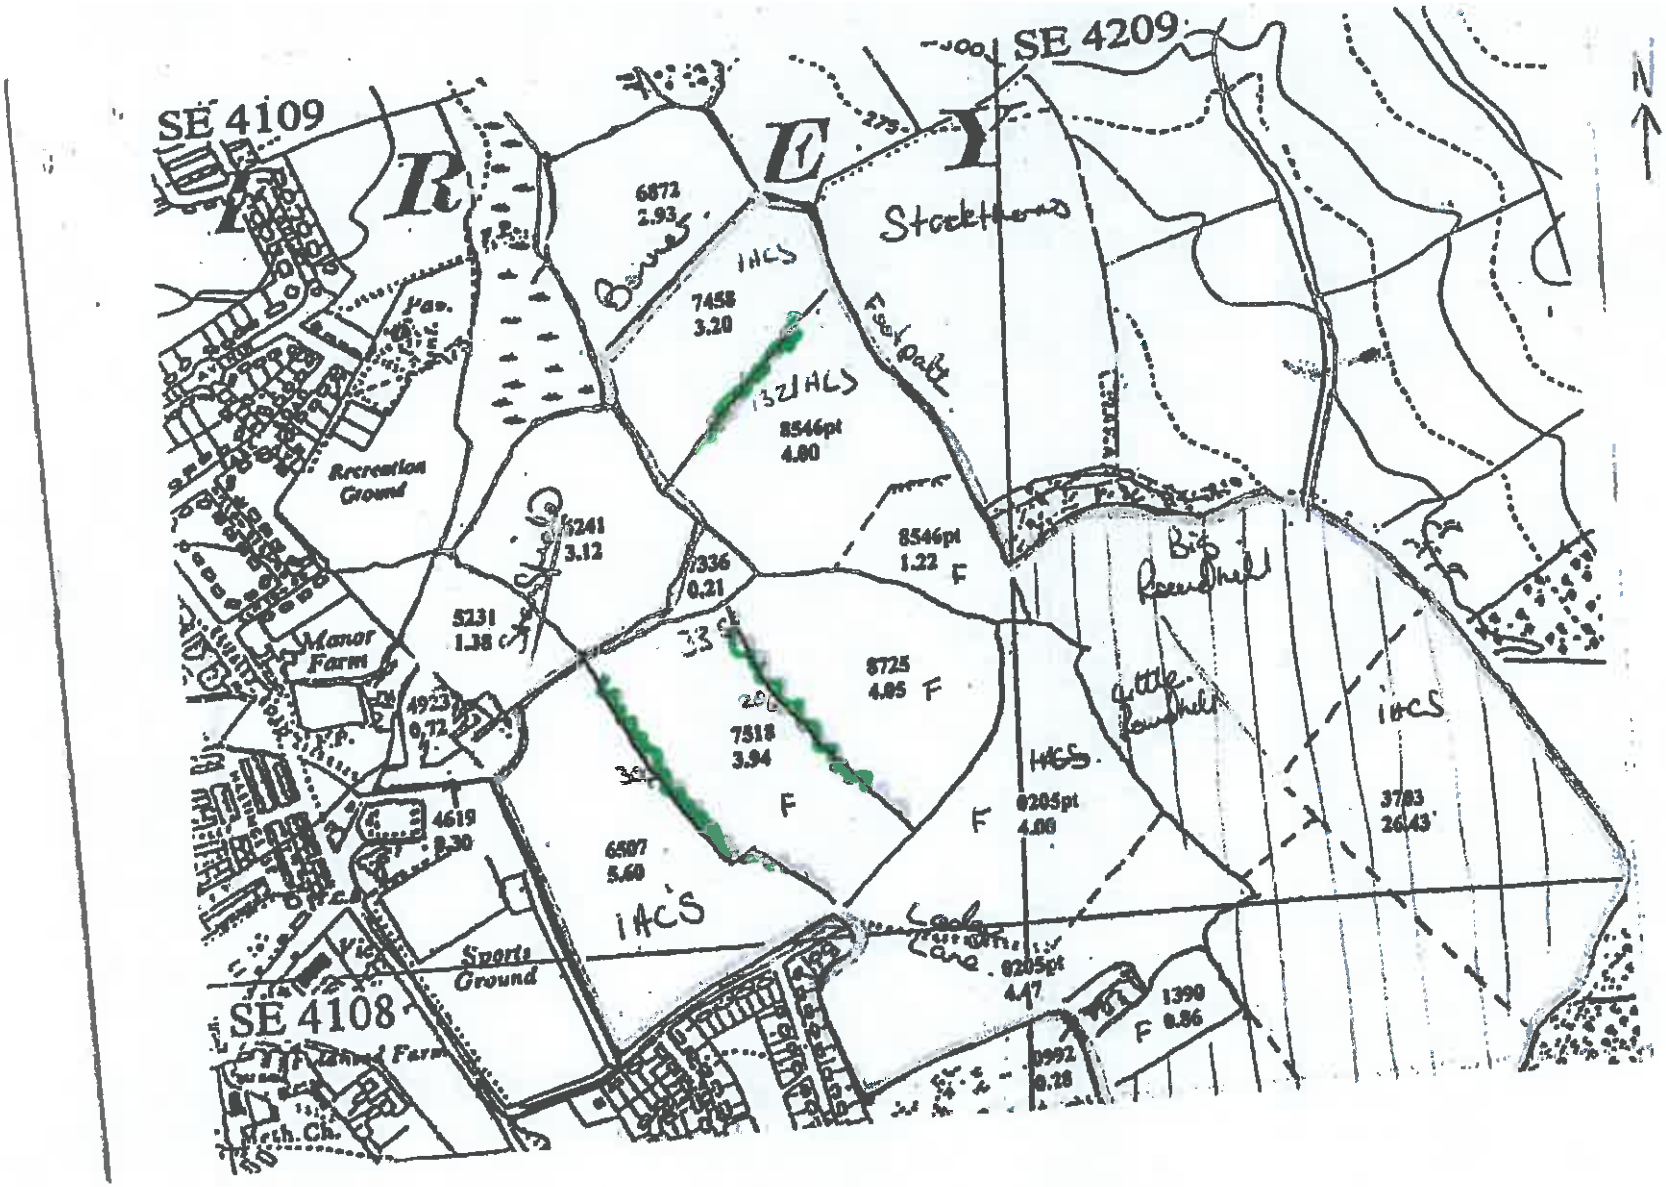

**4. Reason for decision**

The Council has had regard to the particular reason set out in the Hedgerow Removal Notice but does not consider the reasons set out justify the Hedgerows removal. In particular there is insufficient evidence for the reasons given to justify removal. The Council considers the Hedgerows to be important hedgerows within the meaning of the Hedgerow Regulations 1997 under the criterion set out in paragraph 5(a) of Part 2 of Schedule 1 of those regulations.
