- 3492_A_R1525 External Works Elevations

We enclose 5 No copies of our drawings (as per drawing issue record) and an amended landscape design statement.

Please note that we will need to agree the finer detail design of some of the landscape elements and that you would condition these. One thing to be borne in mind are the costs of some of the external palette of materials to meet LSC cost guidance and we may need to review these with you at a future date (hence making this a planning condition). Also we will discuss with our client the option of adopting the piazza / public realm area fronting Church Street and Eastgate. We will report back to you in due course.

Yours faithfully

Daniel Wilkinson
