5. What Are You Applying For?

Are you seeking consent for works to tree(s) subject to a TPO? Yes No

Are you wishing to carry out works to tree(s) in a conservation area? Yes No

6. Tree Preservation Order Details

If you know which TPO protects the tree(s), enter its title or number below.

7. Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below: tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

8. Trees - Reasons For Works

This section only needs to be completed if you are seeking consent to trees under a Tree Preservation Order (TPO)

Please state the reasons for carrying out the proposed works on the tree(s):

T1 - T4 Trees are growing in a no-mans-land area fenced off between The Cudworth Health Centre and Rose Tree Court. ^{Lower} Branches are over-hanging residents lawns and wash drying areas. Request to crown lift all 4 trees to 4.2 metres max. with no pruning wound exceeding 15cms.

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the documents specified.

Health or safety of the tree(s) - e.g. it is diseased, fears that it might break or fall:

Yes No

If Yes, information required - report by a tree professional (e.g. arboriculturist, horticultural adviser).

Alleged subsidence damage:

Yes No

If Yes, Information required: Full report by an engineer or surveyor, together with one from a tree professional - to include date and description of property damage; sub-soil type and shrinkage potential; location of any roots found and their identification; history of ground and building movement through a distortion survey and/or level or crack monitoring over suitable period; other vegetation in the vicinity and its management since discovery of the damage.

9. Trees - Additional Information

Are you providing additional information in support of your application?

Yes No

If Yes, please provide the reference numbers of plans, documents, professional reports etc in support of your application:

10. Application For Tree Works - Checklist

Please use this checklist to ensure that the form has been completed correctly and that all relevant information is submitted.

For works to trees protected by a Tree Preservation Order, failure to supply sufficiently precise and detailed information may result in your application being rejected or delay in dealing with it. In particular, you MUST provide the following:

3 copies of a completed and dated application form.

3 copies of a sketch plan showing the location of all tree(s).

3 copies of a full and clear specification of the works to be carried out.

3 copies of a statement of reasons for the proposed work.

- evidence in support of statement of reasons. In particular, you should provide:

3 copies of a report by a tree professional (e.g. arboriculturist or horticultural adviser) if your reasons relate to the health and/or safety of the tree(s).

3 copies of a report by an engineer or surveyor, together with one from a tree professional (arboriculturist) if you are alleging subsidence damage.

For works to trees in conservation areas, it is important to supply precise and detailed information on your proposal. You may, therefore, wish to provide the following:

3 copies of a completed and dated form, with all questions answered.

3 copies of a sketch plan showing the precise location of all tree(s).

3 copies of a full and clear specification of the works to be carried out.

Whether the trees are protected by a TPO or in a conservation area, please indicate which of the following types of additional information you are submitting (3 copies of each need to be provided):

- photographs.

- report by a tree professional (arboriculturist) or other.

- details of any assistance or advice sought from a Local Planning Authority officer prior to submitting this form.
