

## GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

**APPLICATION NO. 2023/0251**

**To** Advantage Sports Consultancy Ltd  
12 March Pines  
Edinburgh  
EH4 3PF

**DESCRIPTION** Erection of two padel tennis courts with associated building enclosures including canopy roof on former bowling green

**LOCATION** Shaw Lane Sports Ground, Shaw Lane, Barnsley, S70 6HZ

Permission is **granted** for the proposals which were the subject of the Application and Plans registered by the Council on 10/05/2023 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.  
**Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.**
- 2 The development hereby approved shall be carried out strictly in accordance with the amended plans (Dwg. no. 2203-20-001 Rev. C and Dwg. no. 2203-20-003 Rev. D) and specifications as approved unless required by any other conditions in this permission.  
**Reason: In the interests of the visual amenities of the locality in accordance with Local Plan Policy D1 High Quality Design and Place Making.**
- 3 The proposed development hereby approved shall be constructed and finished in the following external materials:  
External Walls - Clear glass and black metal mesh fence panels (lower section) and white tensile fabric (upper section)  
Roof - White tensile fabric  
Lighting - Specialist LED sports lighting concealed under canopy  
**Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.**

- 4 Any external glazing on the development hereby approved shall contain toughened glass capable of withstanding ball strike from cricket and rugby balls. Should the toughened glass become damaged or need replacing, it shall be replaced by toughened glass capable of withstanding ball strike from cricket and rugby balls thereafter. The toughened glass capable of withstanding ball strike from cricket and rugby balls shall be installed in full in all external elevations, before the development hereby approved is first brought into use.  
**Reason: To ensure that any glazing in the development is resistant to ball strike and to protect its users and to comply with policy GI1: Green Infrastructure.**
- 5 Prior to the development being brought into use, a Community Use Scheme shall be submitted to and approved in writing by the Local Planning Authority, after consultation with Sport England. The Scheme shall include details of pricing policy, hours of use, access by non-members, management responsibilities and include a mechanism for review. The approved Scheme shall be implemented upon commencement of use of the development.  
**Reason: To secure well managed safe community access to the sports facility, to ensure sufficient benefit to the development of sport and to accord with Policy GI1: Green Infrastructure.**
- 6 Upon commencement of development plans to show the following levels shall be submitted to and approved by the Local Planning Authority; finished floor levels of all buildings and structures; road levels; existing and finished ground levels. Thereafter the development shall proceed in accordance with the approved details.  
**Reason: To enable the impact arising from need for any changes in level to be assessed and in accordance with Local Plan Policy D1, High Quality Design and Place Making.**
- 7 No development or other operations being undertaken on site shall take place until the following documents in accordance with British Standard 5837:2012 Trees in relation to design, demolition and construction - Recommendations have been submitted to and approved in writing by the Local Planning Authority:  
-Tree and hedgerow protective barrier details  
-Tree and hedgerow protection plan  
No development or other operations shall take place except in complete accordance with the approved details and the tree protection fencing shall be installed in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced off in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the Local Planning Authority.  
**Reason: To ensure the continued wellbeing of the trees in the interests of the amenity of the locality.**

- 8 No development shall commence until;
- a) a scheme of intrusive investigations has been carried out on site to establish the risks posed to the development by past shallow coal mining activity; and
  - b) any remediation works and/or mitigation measures to address land instability arising from coal mining legacy, as may be necessary, have been implemented on site in full in order to ensure that the site is made safe and stable for the development proposed.
- The intrusive site investigations and remedial works shall be carried out in accordance with authoritative UK guidance.
- Reason: To ensure that the development would not be affected by land stability issues, in accordance with Local Plan CL1: Contaminated and Unstable Land.**
- 9 Prior to the occupation of the development, or it being taken into beneficial use, a signed statement or declaration prepared by a suitably competent person confirming that the site is, or has been made, safe and stable for the approved development shall be submitted to the Local Planning Authority for approval in writing. This document shall confirm the methods and findings of the intrusive site investigations and the completion of any remedial works and/or mitigation necessary to address the risks posed by past coal mining activity.
- Reason: To ensure that the development would not be affected by land stability issues, in accordance with Local Plan CL1: Contaminated and Unstable Land.**
- 10 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
- Reason: In the interests of the amenities of local residents and in accordance with Local Plan Policies GD1 General Development Policy and POLL1 Pollution Control and Protection.**

## Informative(s)

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

- 1 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore, the consent of all relevant landowners is required before proceeding with any development, including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent, then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

- 2 A model Community Use Scheme is available on the Sport England website [www.sportengland.org](http://www.sportengland.org).
- 3 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

[www.gov.uk/government/organisations/the-coal-authority](http://www.gov.uk/government/organisations/the-coal-authority)

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Signed

Dated: 20 September 2023

*Development Management*

For and on behalf of Group Leaders,  
Andrew Burton and Matthew Smith

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
