Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The development hereby permitted must be carried out in accordance with the Conditions attached to this planning permission and any approved plans and details. Failure to implement the permission in accordance with the planning conditions and approved details may render the development unlawful and could lead to enforcement action and prosecution. If at any stage, it becomes necessary to vary any of the approved plans or details you should contact the Local Planning Authority in advance of implementing any changes to ascertain whether the proposed changes require any further planning approval.

2 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0845 762 6848.

Further information is also available on The Coal Authority website at www.coal.decc.gov.uk

Property specific summary information on past, current and future coal mining activity can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within 12 weeks of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
