GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2022/0045

To JR Planning
40 Northern Common
Dronfield Woodhouse
Dronfield
S18 8XJ

DESCRIPTION Warehouse extension
LOCATION Park Springs, Development Land, Long Royd, Grimethorpe, Barnsley, S72 7GH

Permission is **granted** for the proposals which were the subject of the Application and Plans registered by the Council on 26/01/2022 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with the amended plans (Nos 01 Rev A, 101 Rev B, 102 Rev A, 104, 105 Rev A, EWE/2830/01, Coal Mining Report, Coal Mining Risk Assessment dated November 2021, Design and Access Statement by JR Planning Consultants, Drainage Assessment dated December 2021, Energy and Sustainability Statement dated December 2021, Transport Statement dated January 2022) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality in accordance with Local Plan Policy D1 High Quality Design and Place Making.

3 The external materials shall match those used in the existing building.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.

4 All surface water run off shall be collected and disposed of within the site and shall not be allowed to discharge onto the adjacent public highway.
Reason: In the interests of highway safety and in accordance with Local Plan Policy T4 New Development and Transport safety.

5 The areas for use by motor vehicles shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use and shall be retained for that sole purpose at all times.
Reason: to ensure that satisfactory off street parking/manoeuvring are provided, in the interests of highway safety and the free and safe flow of traffic, and in accordance with Local Plan Policy T4 New Development and Transport Safety.

6 No development shall take place, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The approved statement shall be adhered to throughout the construction period. The statement shall provide for:
- The parking of vehicles of site operatives and visitors
- Means of access for construction traffic
- Loading and unloading of plant and materials
- Storage of plant and materials used in constructing the development
- Measures to prevent mud/debris being deposited on the public highway.

Reason: In the interests of highway safety and in accordance with Local Plan Policy T4 New Development and Transport safety.

7 No development shall take place until a survey of the condition of the adopted highway condition to be used by construction traffic has been submitted to and approved in writing by the LPA. The extent of the area to be surveyed must be agreed by the LHA prior to the survey being undertaken. The survey must consist of:
i. A plan to a scale of 1:1250 showing the location of all defects identified
ii. A written and photographic record of all defects with the corresponding location references accompanied by a description of the extent of the assessed area and a record of the date, time and weather conditions at the time of survey.
On completion of the development, a second condition survey of the adopted highway shall be carried out to identify defects attributable to the traffic associated with the development. It shall be submitted for the written approval of the Local Planning Authority. Any necessary remedial works shall be completed at the developer's expense in accordance with a scheme to be agreed in writing by the Local Planning Authority.
Reason: To ensure that any damage to the adopted highway sustained throughout the development process is identified and subsequently remedied at the expense of the developer in interests of highway safety in accordance with policy T4 of the Local Plan.

8 Within 3 months of first occupation, a detailed travel plan shall be submitted to and approved in writing by the Local Planning Authority. The Travel Plan shall include details of measures / initiatives to be introduced to encourage sustainable travel to and from the development and allow for regular monitoring and reporting to be undertaken. The plan shall be fully implemented in accordance with the approved details thereafter.
Reason: To support sustainable transport objectives in accordance with Local Plan Policy T3 - New Development and sustainable Travel.

9 The site has been identified to be at risk from potential coal mining legacy. Intrusive site investigations must therefore be undertaken as advised for in the Coal Mining Risk Assessment undertaken by RB Geotechnical dated November 2021. The site investigations and subsequent development must be undertaken in compliance with Construction Industry Research and Information association publication C758D "Abandoned mine workings manual" where applicable. A report detailing the findings of the investigation and any recommended mitigation shall be submitted for approval in writing by the Local Planning Authority, the development thereafter shall be carried out in accordance with the approved details. In the case of further stabilisation works being required, then the condition will not be discharged until details of such works have also been submitted. Responsibility for securing a safe development rests with the developer and/or landowner.
Reason: NPPF 178 a,b,c. 179 and 170 e & f, based around Land Stability.

10 The site shall be developed with separate systems of drainage for foul and surface water on and off site. The separate systems should extend to the points of discharge to be agreed.
Reason: In the interest of satisfactory and sustainable drainage in accordance with Policy CC4 of the Local Plan.

11 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Local Plan Policies GD1 General Development Policy and POLL1 Pollution Control and Protection.

12 Upon commencement of construction works, details of 5 electric vehicle charge points shall be submitted and approved in writing by the LPA. The EVCPs will have a minimum "Mode 3" (7 kW, 32 AMP) capability and shall be installed in accordance with the approved details prior to first occupation of the development and thereafter in accordance with the approved details.
Reason: To conform with the requirements of LP Policy T3 - New Development and Sustainable Travel.

Informative(s)

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848.

Further information is also available on The Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Standing Advice valid from 1st January 2021 until 31st December 2022

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore, the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent, then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

3 Fees associated with the required condition survey are to be borne by the developer. The applicant should make contact with Highways Development Control, Tel. 01226 772033/772170. Email. HighwaysDC@barnsley.gov.uk for further information prior to commencement.

4 The contractor shall ensure that no vehicle leaving the development hereby permitted enter the public highway unless its wheels and chassis are clean. It should be noted that to deposit mud and debris on the public highway is an offence under provisions of the Highways Act 1980.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Signed Dated 12/04/2022

Joe Jenkinson
Head of Planning and Building Control

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

NOTES:

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
