

Copyright and Obligations:

Copyright for this drawing is vested in INK Architectural Design LTD from who written consent must be obtained prior to copying or reproducing. All work to comply with Planning and Building Regulations approved plans. Do not scale drawing, use dimensions and levels shown in metric and check all dimensions on site prior to commencing or ordering materials. IF IN DOUBT ASK. Any discrepancies should be reported immediately before proceeding. All materials to be used in strict accordance with manufacturer's instructions. Should a public sewer be found within 3m of the development it will be necessary to carry out works as requested by the Local Authority under the requirements of Section 25 of the Public Health Act 1936. The contractor should also agree the requirements for lighting, power, decorations and fittings with the client prior to tendering. Whilst every care is taken during the site survey, no responsibility is to be borne by INK Architectural Design LTD as to any expense incurred. Furthermore, the builder should estimate an allowance for such unknown operations. These works may need the involvement of a planning supervisor and a principal contractor under the Construction Design and Management Regulations. It is the responsibility of the owner/client to serve a notice on the adjoining or adjacent neighbours (if required) for the proposed works under the party wall act 1996 explanatory booklets can be obtained free of charge from the D.O.E. publications despatch centre, Blackhorse Road, London, SE9 6TT.
