Dear Ms Cotton

PLANNING APPLICATION FOR EXTENSION TO EXISTING NETTO FOODSTORE, INCLUDING MINOR CHANGES TO LAYOUT, HIGH STREET, GRIMETHORPE S72 7LT (APP REF: 2010/1058)

Further to our planning application for the above which we sent on the 16th August and which was validated on the 19th, please find enclosed 4 copies of the following plans:

- 6968-105 B – Proposed Store Layout
- 6968-106 B – Proposed Elevations

which we would we like to submit to replace the following plans which were part of our initial application:

- 6968-105 A – Proposed Store Layout
- 6968-106 A – Proposed Elevations

The alterations to the elevations are very minor from the previously submitted plans, the only alteration is that the north elevation will consist of 2 double glazed windows rather than the brickwork of the currently submitted proposal. .

Apologies for any inconvenience this may cause; if you require any additional information please do not hesitate to contact us.

Yours sincerely

Graham Connell
