Dear Sirs

**Hickleton - Barnborough Overhead Line Rebuild**
**Electricity Act 1989**

Please note that Northern Powergrid (NPg) are proposing to rebuild the above 66kV overhead line (OHL). The existing wooden poles and steel masts along the route of the OHL have been in situ for some time and need to be replaced due to their age and condition.

In this regard please find enclosed 3 copies of an exemption notice in accordance with the exemption regulations of April 2009. If your Authority has no objections to the proposed works then I would be obliged if you could complete all copies of the aforementioned notices and return two copies to me within 6 weeks.

Thank you and if you require any further information at this stage then please call me on 07889 906722.

Yours sincerely

S J Parlett

NORTHERN POWERGRID

**THIS FORM IS FOR USE BY ELECTRICITY NETWORK OPERATORS TO ADVISE LOCAL PLANNING AUTHORITIES OF PROPOSED WORKS TO BE UNDERTAKEN WITHIN THEIR DESIGNATED AREA THAT ARE CONSIDERED TO BE EXEMPTED UNDER THE OVERHEAD LINES (EXEMPTION) (ENGLAND AND WALES) REGULATIONS 2009. LOCAL AUTHORITIES HAVE THE RIGHT TO INVOKE THE FULL SECTION 37 PROCESS UNDER THE ELECTRICITY ACT 1989 SHOULD IT BE CONSIDERED NECESSARY.**

**The Form should be sent in triplicate to each Local Planning Authority in whose area the proposed development would be situated.**

## Details of Applicant

**Telephone No:** 01670 862235

**Applicant's Ref:** SJP/YC 14492 **Date:** 27/03/2019

**To:** **Service Director** Barnsley Metropolitan Borough Council

## Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption)(England and Wales) Regulations 2009:

Hickleton to Barnburgh 66kV overhead/re-build. Wood poles 1 - 3, 8 - 15 and 19 to be rebuilt on line, steel masts 4 - 7 and 16 - 18 to be re-built on line all with modern equivalent wood pole design.

Particulars of proposed development to be completed by Applicant:

As part of the ongoing improvement works to our overhead electrical networks in South Yorkshire areas it is proposed to rebuild our existing 66kV overhead line (OHL) totalling approximately 2.7 km in length). I have attached a copy of drawing number C1046737 that shows the route of the existing OHL, which is supported by wooden poles in black and steel masts in red. These works are deemed as minor by the Department of Energy and Climate Change and therefore fall within the aforementioned exemption regulations.

The Council/Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours Faithfully SJ Parlett

For and on behalf of the Applicant
