

Total proposed mass of the 12 proposed apartments (Separate application) and the proposed carehome extension (Blue hatch) . The large mass of the existing cinema building has been reinterpreted to create a large courtyard design that is better distributed over the site.

Existing 2024 google map aerial image. The large rectangular design of the old cinema building no longer fits amongst its residential surroundings and sits tight to the street.

Project DEMOLITION OF CINEMA BUILDING AND EXTENSION TO CAREHOME
