

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2022/0453

To White Agus Partnership
Office One
34 Victoria Road
Barnsley
S70 2BU

DESCRIPTION Demolition of existing building and erection of 1no detached two storey dwelling and associated works

LOCATION The Gate Inn, Chapel Road, Pilley, Barnsley, S75 3AR

Permission is **granted** for the proposals which were the subject of the Application and Plans registered by the Council on 09/06/2022 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the amended plans (Nos.22-004-01-A & TGICR VSP 01 rev C) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality in accordance with Local Plan Policy D1 High Quality Design and Place Making.
- 3 Upon commencement of development details of the proposed external materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.

- 4 Upon commencement of development a plan indicating the position, height and design of the boundary treatment to be erected between the domestic curtilage and Green Belt boundary shall be submitted to and approved in writing by the Local Planning Authority. The boundary treatment shall be completed before the dwelling is occupied. Development shall be carried out in accordance with the approved details and shall thereafter be retained.
Reason: In the interests of the visual amenities of the locality and the Green Belt and the amenities of occupiers of adjoining property in accordance with Local Plan Policies GD1 General Development Policy, D1 High Quality Design and Place Making and GB2 Replacement, extension and alteration of existing buildings in the Green Belt.
- 5 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Local Plan Policies GD1 General Development Policy and POLL1 Pollution Control and Protection.
- 6 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any Order revoking or re-enacting that Order with or without modification), no enlargement, improvement or other alteration of the dwellings which would otherwise be permitted by Part 1 of Schedule 2 to that Order shall be carried out without the prior written consent of the Local Planning Authority, and no garages or other outbuildings shall be erected.
Reason: In the interest of residential and visual amenity and the protection of the Green Belt, in accordance with Local Plan Policies D1 'Design', GD1 'General Development', GB1 Green Belt and GB2 Replacement, extension and alteration of existing buildings in the Green Belt.
- 7 All in curtilage planting, seeding or turfing comprised in the approved details of landscaping shall be carried out on each plot no later than the first planting and seeding season following the occupation of the individual dwellinghouse/s; and any trees or plants which die within a period of 5 years from first being planted, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.
Reason: In the interests of the visual amenities of the locality, in accordance with Local Plan policies GD1 'General Development' and D1 'High Quality Design and Place Making'.
- 8 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Local Plan Policy T4 New Development and Transport Safety.
- 9 All surface water run off shall be collected and disposed of within the site and shall not be allowed to discharge onto the adjacent highway.
Reason: In the interests of highway safety in accordance with Local Plan Policies T4 New Development and Transport Safety and POLL1 Pollution Control and Protection.

- 10 Prior to the first occupation of the development hereby permitted a boundary wall no higher than 0.6m shall be provided and thereafter retained in the position shown on a plan to be submitted and approved by the LPA
Reason: To ensure satisfactory access and turning within the site and in the interests of highway safety.
- 11 The development hereby approved shall be carried out in accordance with the recommendations made in section 5 of the Interim Bat Survey Report (ref:220563) dated 28th May 2022 by Whitcher Wildlife Ltd. Ecological Consultants.
Reason: To conserve and enhance biodiversity in accordance with Local Plan Policy Bio1.
- 12 Upon commencement of the development full details of the bat and birdboxes, as well as hedgehog access, shall be submitted to, and approved in writing by, the Local Planning Authority. Thereafter, the development shall be carried out in accordance with the approved details and retained as such thereafter.
Reason: To conserve and enhance biodiversity in accordance with Local Plan Policy Bio1.
- 13 The site is located within a Coal Authority coal mining referral area due to the possible presence of relatively shallow coal/ironstone and potential shallow mine workings. As detailed in the Lyons CMC coal mining risk assessment (ref CMRA 00292) the land could therefore be at risk from mining legacy issues such as ground instability. The development must therefore be designed as advised by a suitably qualified geotechnical engineer after appropriate site investigations incorporating any necessary mitigation against the potential mining legacy risks. The development should be undertaken in consideration of Construction Industry Research and Information association publication C758D "Abandoned Mine Workings Manual" where applicable. A third-party geotechnical report detailing the findings of any investigations and any recommended mitigation shall be submitted to Local Planning Authority prior to commencement of the development (excluding demolition of existing building). Responsibility for securing a safe and sustainable development rests with the developer and/or landowner"
Reason: Land stability NPPF sections 183 a,b,c. 184 and 174 e & f.

Informative(s)

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

- 1 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore, the consent of all relevant landowners is required before proceeding with any development, including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent, then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

- 2 New and alterations to Vehicular Access (dropped kerbs) - The development hereby approved includes the provision of a vehicular access. You are advised that before undertaking work on the adopted highway you will require a Section 184 licence from the Highway Authority. The works shall be to the specification and constructed to the satisfaction of the Highway Authority. Fees are payable for the approval of the highway details, and inspection of the works. Further information and an application form are available on the BMBC website at <https://www.barnsley.gov.uk/services/roads-travel-and-parking/parking/dropped-kerbs/> or please contact at email Streetworks@barnsley.gov.uk or call to 01226 773555.
- 3 Under the Building Act 1984, the Council is required to be notified of any demolition exceeding 50 cubic metres carried out within the Borough. This can be done by contacting us via email at demolition@barnsley.gov.uk or by telephone on 01226 773555.
- 4 The granting of planning permission does not affect the status of species such as owls and bats, which have protection under other legislation. These may be present and it is the applicant's responsibility to seek advice on how to avoid damaging operations. Further advice can be obtained from the Countryside Unit in the Planning & Transportation Services, on 01226-772576, or directly from www.naturalengland.org.uk

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Signed

Dated 13/09/2022

Joe Jenkinson
Head of Planning and Building Control

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

NOTES:

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
