Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption)(England and Wales) Regulations 2009:

To divert a section of 66kV overhead line at Hay Green, Birdwell.

Particulars of proposed development to be completed by Applicant:

To relocate 2x pole supports and install a further two, double woodpole supports as depicted on the attached plan by red dots,with associated stay wires. The route of the existing line is shown blue.The work is necessary to divert the circuit from a planned, residential development site to the north. The diverted spans of overhead line will be within 60m of the course of the existing line and the supports are in excess of 10m in height.

The Council/Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours Faithfully

For and on behalf of the Applicant
