Dear Mr Fearn

Description: Non-material amendment to planning application 2024/0578 (Construction of a new 3G Artificial Grass Pitch (AGP) with spectator area, goal storage areas, perimeter sports fencing, sports LED lights, maintenance container, link path, 1no. drop off parking space and associated landscaping) to adjust the design and scope of the crumblock, and extension to the hardstanding drop off area.

Address: Dorothy Hyman Sports Centre, Snydale Road, Cudworth, Barnsley, S72 8LH

Thank you for your recent application for a non-material amendment following the grant of planning permission 2024/0578 for the construction of a new 3G Artificial Grass Pitch (AGP) with spectator area, goal storage areas, perimeter sports fencing, sports LED lights, maintenance container, link path, 1no. drop off parking space and associated landscaping.

The amendment proposed involves;

- Adjustment to the design and scope of the crumblock zone
- Extension to the hardstanding drop off area

The details submitted on the plans (MCA-MUK3149-02 Rev. G, MCA-MUK3149-03 Rev. F & MCA-MUK3149-12 Rev. D) received on 8th October 2025 are acceptable in that the amendments would not unreasonably impact on the amenity of surrounding residents, the character of the area, highway safety and trees and biodiversity. As a result, the proposed non-material amendment is hereby approved. This decision letter only relates to the non-material amendment. It is not a reissue of the original decision notice for application 2024/0578 which still stands. The two documents should be read in conjunction. If you require any further information, please contact me.

Yours sincerely
