Proposal Installation of 1no 50kW wind turbine on a 24m monopole mast (34.2m to blade tip) At Westfield Farm, Royd Moor Road, Thurlstone, Sheffield

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 21 January 2013and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The site is within Green Belt on the adopted Barnsley Unitary Development Plan. In the opinion of the Local Planning Authority, the proposed wind turbine is sited in an exposed an open landscape where it would appear as incongruous and visually intrusive feature, harming landscape character and the visual amenities of the Green Belt, and the openness and appearance of the area. There would be significant visual impacts on local receptors including footpaths. The proposed development is neither well designed nor inclusive or in keeping and scale with its location, and is not sensitive to the character of the locality which comprises an open, rolling countryside which is relatively free from vertical features. The proposed development does not retain and enhance the character and distinctiveness of the individual Landscape Character Area in which it is situated. The Council considers that no very special circumstances have been demonstrated in this case which clearly outweighs identified harm and harm by reason of inappropriateness. Accordingly the proposal conflicts with policies CSP6, CSP29, CSP34 and CSP37 and the National Planning Policy Framework.

2 The proposed development would have a detrimental impact on air traffic control systems and would therefore present a hazard to aircraft safety. The proposal is therefore be contrary to CSP6 of the Barnsley Core Strategy.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to refuse permission for the proposed development then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
