Dear Ms Ward

We have been asked by Sam Dewar at Earthmill Ltd to supply you with a hard copy of the Cumulative Landscape and Visual Impact Assessment (CLVIA) we have prepared on his behalf in relation to the above planning application. This consists of an A4 text document including Appendices, as well as accompanying Figures and Visualisations.

We also enclose an electronic version of the CLVIA on CD. Please do not hesitate to contact either myself or Earthmill if you have any queries.

Yours sincerely
