FAO Mr. G. Northern

Dear Graham,

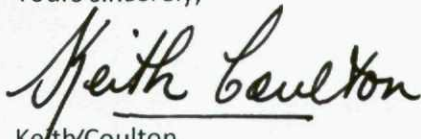

Proposed allotments Berrywell Avenue

I refer to the above and our recent conversation.

Please find enclosed an example of the design and specification of garage the Town Council is considering to erect on the site for the allotment holders to store their tool etc.

Please do not hesitate to contact me should you require any further information.

Yours sincerely,

Keith Coulton
Town Clerk

Description & Spec

Keep your prized vehicle safe and secure with the Yardmaster 9.7ft x 17.1ft (2.97m x 5.22m) Metal Garage. This robust garage is made from quality galvanised steel and requires no painting, treatment or maintenance. This combined with a 10 year non-perforation guarantee, provides you with a long lasting and great quality choice for sheltering and protecting your vehicle.

The large, double doors are hinged and lockable with a padlock. The apex roof gives generous headroom and is fitted with two transparent roof panels for natural lighting.

This garage is supplied with pre-drilled holes for easy assembly and comes with anchor expansion bolts for securing your garage to a concrete base. Comprehensive, step by step instructions are also included.
