## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

An outbuilding is lawful if it strictly adheres to the limits set out in Class E of the General Permitted Development Order.

Incidental Use: The building is to be used for a purpose "incidental to the enjoyment of the dwellinghouse". It will not be used as self-contained living accommodation or a primary bedroom.

It will not be built on land forward of the wall forming the principal elevation.

The size of the proposed building will be less than 2.5 metres maximum height and 2 metres of a property boundary.

The outbuilding, combined with all other additions or existing structures, will not cover more than 50% of the total area of land around the original house.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

### Information about the proposed use(s)

 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The outbuilding is for the storage and maintenance of equipment that will assist with a life limiting medical condition which is a secondary activity to living in the house.  
The building will not contain primary living facilities like a kitchen or bedroom, which would make it ancillary rather than incidental.  
The building is set to house a hyperbaric chamber and sauna which are medically proven to assist in life limiting conditions.

## Site Visit

- Yes  
 No

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
