Dear Ms Whittaker,

Description: Details of condition 26 (scheme taking account of the Noise Insulation Regulations) of planning permission 2018/0965 - Signalised gyratory roundabout with improvements to the existing Dodworth Road / Broadway / Pogmoor Road junction and re-configuration of park

Location: Penny Pie Park, Dodworth Road/Pogmoor Road, Barnsley

Condition 26

This condition was requested by Regulatory Services and states;

Prior to the development commencing a scheme taking account of the Noise Insulation Regulations 1975 (as amended) designed to mitigate adverse noise levels experienced by nearby residents shall be submitted to and approved in writing with the Local Planning Authority and the approved scheme shall be complied with in conjunction with the implementation of the development.

Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40 and Local Plan policies SD1, GD1 and Poll 1.

Regulatory Services have confirmed (email dated 08/06/2021) that the information submitted with the application (Noise Scheme Process and Noise Scheme Specification) covers the requirements of the condition. The Legal Officer has also confirmed there is no reason to disagree with the relevant technical officers' findings.

Given the comments above, condition 26 of application 2018/0965 is hereby discharged.

Yours Sincerely

James Hyde, BA (Hons), MA, MRTPI
Planning Officer
