Description of Proposed Works

Please describe the proposed works

We would like to apply for a single storey extension that will replace an existing former single storey garage which only the gable wall remains this will need to be demolished, the new extension will be of the same ground area and built directly on the site of the removed building, the footprint of the existing garage wall will need to be extended round at the rear and join the existing kitchen wall.

Has the work already been started without consent?

☐ Yes

☒ No

Materials

Does the proposed development require any materials to be used externally?

☒ Yes

☐ No

☒ Yes

☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

DESIGN PROPOSAL Overall, aims to achieve a high standard of design and the following considerations have therefore been taken into account.

1. The extension will provide us with extra space needed for modern living and access to ground level facilities, utilities and living space. The appearance of the proposed rear extension is also only single storey in height.
2. The extension proposal will wrap round the existing house so as to reduce its impact on the open land. the site's visual containment round all boundaries are sympathetic in design.
3. The proposal creates a traditional rural extension using natural stone to the external walls, natural slate roof, mullion windows and timber frames to blend in with the character of the house architectural detailing.

The landscape works will also ensure the development is sympathetically blended into the surroundings.

The submitted Site Plan shows the proposed internal and external layout of the site in relation to the house and surroundings.

There will be a some, but necessary increase in the building footprint and overall volume but this will be offset by the demolition of the unsightly existing former garage wall.

The proposed application is in a sustainable location sited at the North East side being furthest from the highway and is for domestic use only.

The proposal will not lead to any increase in traffic therefore it is considered to be a sustainable.

There are no Highway considerations relevant to this proposal, as the existing access from Hog Close Lane will be used and no trees or hedges will need to be removed.

Overall, the proposed extensions and other ancillary works will complement the house and enhance its setting. Please also refer to the Heritage Statement.

In conclusion the overall enclosed application presents a scheme that is appropriate to the setting of the site, with a sympathetic scale, and the use of appropriate materials.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
