Dear Rachael,

I would like on
behalf of myself & my husband,
to make objection to planning
permission being given to 132 Park
Grove for HMO.
Park Grove is a quiet residential
area, with some nice period
properties,
these houses are for families
not multi occupancy.
The car parking situation is
horrendous before anything like
this starts.
People are parking on street
corners & drop pavements,
many a time when I am
bringing my car from the back

OF MY HOUSE I AM UNABLE
TO GET OUT AT THE BOTTOM
(OPPOSITE THE DOCTORS SURGERY)
I END UP HAVING TO GO ACROSS
TO THE DOCTORS SURGERY TO ASK
PEOPLE TO MOVE THEIR CARS,
OR TRY & FIND OUT WHO THE
CARS BELONG TO.
TRAFFIC MOVES UP & DOWN THE
STREET AT GREAT SPEED & IT'S
ONLY A MATTER OF TIME BEFORE
THERE'S AN ACCIDENT.
IT WOULD ALSO CAUSE PROBLEMS
WITH REFUSE BINS ARE ABOUT.
A LARGE AMOUNT OF TENANTS WOULD
HAVE NO REGARD FOR THEIR
RESPONSIBILITIES.
I WOULD LOOK FORWARD TO
HEARING FROM YOU.

Yours sincerely
Jana Moran
