Signed 
Joe Jenkinson
Head of Planning and Building Control

Dated 03 September 2021

Notes:

1. This certificate is issued solely for the purpose of section [192] of the Town and Country Planning Act 1990 (as amended)
2. This certificate applies only to the extent of the [operations] described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any [operations] which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
3. The effect of the certificate is also qualified by the proviso in section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and*
- up to six months imprisonment on conviction.*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.
