EXISTING VIEW

A wide panoramic photograph of a rural landscape. The foreground is dominated by a lush green field, possibly a crop field, with visible furrows. In the middle ground, a small town or village is visible, nestled between green hills. The background shows rolling hills under a sky filled with large, white, fluffy clouds. A few bare trees are visible on the left side of the frame.

PREDICTED VIEW

A wide panoramic view of a residential development. In the foreground is a lush green field. In the middle ground, a row of modern, two-story houses with light-colored facades and brown roofs is visible. Behind the houses, there are several tall, thin trees. The background shows a flat landscape under a bright blue sky with large, white, fluffy clouds. The text "PREDICTED VIEW" is in the top left corner.
