

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2020/0677

To JRB Designs Ltd.
1 Saville Street
Cudworth
Barnsley
S72 8LT

Proposal Erection of detached bungalow and associated works

At 19 Cross Street, Monk Bretton, Barnsley, S71 2ER

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 30/07/2020 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

1. In the opinion of the Local Planning Authority, the proposed development would be contrary to Local Plan policies GD1 'General Development, D1 'High Quality Design and Placemaking' as well as the SPD Design of Housing Development in that it is an incongruous and cramped form of infill development with an insufficient setback from the highway to reflect the predominant siting and landscaping pattern of Church Grove which results in a reduction of the visual quality of the area
2. The proposal lacks sufficient internal space to provide an adequate level of amenity for future occupants required by the minimum standards outlined within the South Yorkshire Residential Design Guide which accord with the amenity requirements set out in the SPD Design of Housing Development and Local Plan Policy GD1 - General Development.
3. The topographical relationship between 19 Cross Street and the proposed dwelling will lead to unacceptably low levels of privacy for the latter's rear garden which are not in line with the amenity standards required by guidance and policy. Likewise the proposed dwelling would be materially detrimental to the amenity of 21 Cross Street by reason of its negative effect upon the privacy of that neighbouring curtilage and to the amenity of 19 Cross Street by reason of its overbearing impact upon that dwelling's rear garden space contrary to the SPD Design of Housing Development and Local Plan Policy GD1 - General Development.

4. The proposal does not conform with other Local Plan Policies, notably GD1, D1 or H9 and by consequence does not benefit from Local Plan Policy H4 for residential development on non-allocated sites and is refused permission on these grounds.
5. The development would adversely impact the setting and amenity of 19 Cross Street which is an existing larger dwelling through the separation of a significant portion of its rear curtilage. This is contrary to Local Plan Policy H9 - Protection of Existing Larger Dwellings

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and*
- up to six months imprisonment on conviction.*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of the approved development is disposed of via approved methods and that documents are retained to prove this.

Signed

Dated 21/09/2020

Joe Jenkinson
Head of Planning and Building Control

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
