

## PLANNING CONSULTATION RESPONSE

<b>Application No</b>	2026/0256
<b>Proposal</b>	Retrospective application for the installation of an ATM and associated signage. Installation of 1 illuminated top sign and 1 illuminated bottom sign (Advertisement Consent)
<b>Address</b>	Budgens, Barnsley Road, Dodworth, Barnsley, S75 3JR
<b>Date of Consultation Reply</b>	22/04/26
<b>Consultee</b>	Highways DC

### Consultation Assessment and Justification

From the information available from historic street view images, the ATM appears to have been in place for at least 18 months and is set well away from the public highway. The illuminated signage would not be in the eyeline of drivers on Barnsley Road.

Whilst the facility may attract occasional unique vehicle trips, these would not be to the point that additional parking was required when considering the existing building use as a small supermarket with associated car park.

As such, the scheme is acceptable from the perspective of highway development control, and no specific conditions are deemed necessary.
