REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2019/0043

To Rollinson Planning Consultancy
80 Main Street
Menston
Ilkley
LS29 6HS

Proposal Erection of 2 no detached dormer bungalow and associated access, parking and garden facilities

At South Grove House, South Grove Drive, Hoyland, Barnsley, S74 9DY

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 04 February 2019and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The proposed dwellings would not integrate well within the immediate area, to the detriment of the overall character and layout of the existing housing stock within the locality. As such it would result in an improvised form of development which would appear incongruous in the context of its surroundings and would depart from the long established local pattern of development to the detriment of the areas character. This would be contrary to Local Plan Policies D1 'High Quality Design and Place Making', GD1 'General Development', Supplementary Planning Document 'Designing New Housing Development' and the design principles established within the NPPF.

2 In the opinion of the Local Planning Authority, plot 2 would be materially detrimental to the amenities of the occupants of the adjoining dwellings fronting Brooke Street by reason of increased overlooking resulting in a loss of privacy. Furthermore, the proposed ground floor bedrooms in both plots 1 and 2 would have limited out look and be oppressive, to the detriment of future occupants. As such, the development would be contrary to Local Plan Policy GD 1 'General Development and the Council's Supplementary Planning Document 'Designing New Housing Development'.

3 The applicant has not submitted sufficient details i.e. a lack of adequate Coal Mining Risk Assessment and out of date Tree Report, to enable an adequate assessment to be made of the effect of the proposal on potential mining legacy issues and Arboriculture.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
