Dear Sir,

3 New Houses at Thurgoland

Please find an application to renew a previous approval 2012/0676 dated 3 August 2012.

The application is as previously approved but the only variation is a newly agreed public footpath route (public footpath no 18 Thurgoland public path diversion order 2015) The newly agreed route is now shown on the site layout drawing A1 and has no significant impact on the site layout and has the full support of the owner.

The agricultural buildings previously on the site have now been demolished and it is anticipated that the proposal will be implemented when the new permission is in place.

Yours faithfully,

[redacted]
