I am writing with regards to your recent submission of a householder pre-application. Based upon the information supplied I can confirm that the works proposed in your form does not require the following from the council:

a) Planning permission

Please note, although this document informally confirms the works would be considered permitted development, an Application for a Lawful Development Certificate for a Proposed Use should be submitted in order to legally formalize the works comply at the time of application with The Town and Country Planning (General Permitted Development) (England) Order 2015.

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
