○	TREE CENTRE
○	TREE FOR RETENTION
○	TREE FOR REMOVAL
○	ROOT PROTECTION AREA
—	PROTECTIVE FENCING

Notes:
Although RPA for individual trees are calculated accurately, those for groups are limited to the furthest extent only. This drawing is based on a ref. 2019 Ref. B produced by Chris Eyres Designs. Not all tree positions were shown and therefore tree positions should not be assumed to be accurate and all measurements should be checked on site.
