

PLANNING CONSULTATION RESPONSE

Application No	2026/0261
Proposal	Display of 2x aluminium tray signs with LED lettering; 1x digital display screen and vinyl graphic around existing ATM.
Address	11 Peel Square, Barnsley, S70 2QT
Date of Consultation Reply	24 th April 2026
Consultee	Highways DC

Consultation Assessment and Justification

Based on the detailed information provided, both the illuminated fascia signs and the internally mounted digital display screen are stated as having a maximum luminance level of 550cd/m² which is within recommended maximum levels. The signs do not interfere with any vehicular or pedestrian sight lines/visibility and do not project out from the building any further than the existing signage scheme.

In view of the above, the proposals are considered acceptable from a highways development control perspective.
