## Metropolitan Borough Council

### TPO CONSENT

TOWN AND COUNTRY PLANNING 1990

TOWN AND COUNTRY PLANNING (TREE  
PRESERVATION ORDER) REGULATIONS 1969

APPLICATION NO: 2015/0121

**To** Mr Terence Iles  
9 Meadowside  
Southfield Lane  
Thurnscoe  
Rotherham  
S63 0RW

In pursuance of its powers under the above-mentioned Act and Regulations the Barnsley Metropolitan Borough Council as the Local Planning Authority hereby grants consent for the proposals the subject of the plan(s) and application registered by the Council on the 06 February 2015 and therein described as:- Remove damaged/dangerous Conifers, Pines, Hawthorn's and Crack Willows in area shown and marked with yellow point within TPO 13/1993 9 Meadowside, Southfield Lane, Thurnscoe Rotherham , S63 0RW.

Consent is subject to compliance with the following conditions:-

- 1 The proposed tree works should be completed within 2 years of the date of this consent.

**Reason: To ensure that adequate notice is given for the works to be inspected and approved by the Local Planning Authority.**

- 2 Not less than five working days notice of the date of the proposed work shall be given in writing to the Local Planning Authority and the tree surgery shall be carried out to the standards set out in BS3998.

**Reason: To ensure the work accords with good arboricultural practice.**

Signed

Joe Jenkinson  
Head of Planning and Building Control

Dated 01 May 2015

- 3 Within the first planting season the 16 trees shown to be removed shall be replaced by 6 new Alders (*Alnus glutinosa*) and 4 new Downy Birch (*Betula pubescens*) within the areas of the garden where the trees are to be removed from. The replacement trees shall be to the following specifications:

Specification: Standard trees (10-12cm girth) of the species mentioned above shall be planted and affixed (with flexible tree ties) to a tanalised tree stake (minimum diameter 75mm) at a height of no more than 1m above ground level during the first planting season following the removal of the tree. In order to aid establishment a suitable mulch shall be applied (e.g. semi-composted woodchip to a minimum depth of 75mm) around the tree to a radius of 1m. The trees shall be watered immediately after planting then whenever required to ensure successful establishment. Within two weeks of planting the Local Authority Tree officer shall be informed and invited to inspect the new trees. The new tree shall be subjected to a Tree Preservation Order in replacement of the felled tree. If the replacement tree fails to become established within 5 years of planting it shall be replaced with another tree of the same original specification.

**Reason: In the interests of the visual amenities of the locality and continuance of the tree cover of the local area.**

### **Informative(s)**

*Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.*

- 1 Before proceeding with the notified works, you should ensure that you have the permission of the owner, and comply with all other relevant legislation, for example it is an offence to disturb nesting birds, and bat roosts.

### **Notes:**

If the applicant is aggrieved by the decision of the Local Planning Authority to grant consent subject to conditions, he may appeal to the Secretary of State for the Environment, Transport and Regions in accordance with Section 198 of the Town and Country Planning Act 1990, within 28 days of receipt of this notice. Appeals must be made on a form which is obtainable from The Planning Inspectorate, Room 3/24 Hawk Wind, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
