Dear Angela

I have asked sky and other companys for a brochure or leaflet showing the specification of dish (size and colour) they do not have one, but Sky have told me and it is available online that they are in two colours black mesh or Grey, the size is 58.0 cm high x 74.0cm wide x 61.7cm deep these are the dimensions for the North of England I hope this will be acceptable

Kind Regards

Anne Baughan
