PLEASE ADVISE

Heavy Duty

Flat Top | Convex | Concave

Our most popular panel, very, very strong, ideal for the football garden or for fences adjacent to foot paths or car parks etc.
These panels can be made to any size.

Paling

Flat Top | Convex | Concave

A traditional and popular panel that will suit most needs. Made using 100mm x 19mm pales with 50mm x 32mm frame made to any size.

Herringbone

Flat Top | Convex | Concave

Combining the benefits of Paling and Heavy Duty Vertical Lap but with a modern and unique design that will add a lasting impression to any garden, again made to any size.
