Envelop had a meeting on Monday the 29th September with Keith Pell (head of planning) and Matthew Woodward (case officer for the mast and windfarm) to discuss the progress of the addendum for the windfarm application.

5. Description of Proposal

Please provide a description of the approved development as shown on the decision letter:

Erection of a 70m high wind monitoring mast for a temporary three month period.

Application reference number: Date of decision:

Please state the condition number(s) to which this application relates:

Condition number(s):

Has the development already started? Yes No If Yes, please state when the development was started:

Has the development been completed? Yes No If Yes, please state when the development was completed:

6. Condition(s) - Removal

Please state why you wish the condition(s) to be removed or changed:

After initial review and further research of the data collected on site thus far, a further period of validation is required. This would give a broader understanding of on-site meteorological conditions over a further range of seasons and will allow a greater depth of knowledge of the wind resource available. The data collected during this 12 months monitoring period would feed into the final site design to maximise the utilisation of available renewable energy resource at the proposed Sheephouse Heights Wind Farm.

If you wish the existing condition to be changed, please state how you wish the condition to be varied:

Condition 3:
The permission hereby permitted shall be limited for a period of 12 months from the 18th September 2008. By the end of this period the mast shall be removed and the site restored to a condition suitable for agriculture.

7. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land? Yes No
