Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 24 June 2011 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the plans and specifications (Floor Plans Rev A) as approved unless prior written consent has been given by the Local Planning Authority to any variation.
Reason: In the interests of the visual amenities of the locality and in accordance with UDP Policy BE6, Design Standards.

Reason(s) for Granting Permission

- 1 Unique The proposal raises no concerns which would suggest that planning permission should be refused. The property is of an adequate size and lends itself suitably as a guest house whereby an appropriate level of amenity can be achieved for residents/guests. The proposal can be implemented without resulting/having an adverse impact upon existing neighbouring residents. As such the proposal is considered to represent an efficient use of the building, which meets the tests of UDP policies H5A, H8 and BE6.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed *Stephen Moralee*
Assistant Director, Planning and Transportation

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
