Dear Mrs Jones,

Description: Non-material amendment to application 2019/1013 (VIP project) to allow design changes to Bridge 1

Location: Land off Brook Hill Lane, Dunford Bridge, Sheffield

I write regarding your application for a non-material amendment to the previously approved application (Ref: 2019/1013). The amendment is to Bridge 1, the Permanent Bridge with plans: Drawing 544EH-01 Rev B and PDD-33492-LAY-051 Rev P11 TPT Diversion Analysis – Sheet 2 replacing the approved plans (PDD-33492-LAY-057 Permanent Bridge – General Arrangement drawing and PDD-33492-LAY-051 Rev P10 TPT Diversion Analysis – Sheet 2) as listed under condition 2 on the Decision Notice.

As per your email 17th June 2021 and meetings on site with Sarah Ford, the 1.8m high solid hoards as shown on the plans can be replaced with a 500mm kickboard whilst the TPT diversion is operational. This shall be removed once the TPT has reopened and the diversion is no longer in use.

I can confirm that these are agreed.

This decision letter only relates to the non-material amendment as detailed in this letter. It is not a reissue of the previous decision notice for application 2019/1013 which still stands. The two documents should be read in conjunction.

If you require any further information on the above, please do not hesitate to contact me.

Yours sincerely

Hannah Andrew, Senior Planning Officer (Outer Team)
