Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 24 April 2013 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with the plans (received 18th April 2013) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with LDF Core Strategy Policy CSP 29, Design.

3 No development shall take place until:

(a) Full foul and surface water drainage details, including a scheme to reduce surface water run off by at least 30% and a programme of works for implementation, have been submitted to and approved in writing by the Local Planning Authority:

(b) Porosity tests are carried out in accordance with BRE 365, to demonstrate that the subsoil is suitable for soakaways;

(c) Calculations based on the results of these porosity tests to prove that adequate land area

is available for the construction of the soakaways;

Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development.
Reason: To ensure proper drainage of the area in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

4 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

5 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

6 The erection of barrier's for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced off in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the Local Planning Authority.
Reason: To safeguard existing trees, in the interest of visual amenity.

7 No development or other operations being undertaken on site shall take place until the following document has been submitted to and approved in writing by the Local Planning Authority:

Tree protection plan
Tree protective barrier details

No development or other operations shall take place except in complete accordance with the approved methodologies.
Reason: To ensure the continued well being of the trees in the interests of the amenity of the locality.

8 Prior to the commencement of development, details of areas for the turning, parking, loading, unloading and manoevrability of HGV's shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall then proceed in accordance with the approved details and shall be retained for that sole purpose at all times
Reason: To ensure that satisfactory manoeuvring areas are provided in accordance with Core Strategy Policy CSP26.

Reason(s) for Granting Permission

1 Unique The site is located within an Employment Policy Area. The proposal is considered acceptable in terms of impact upon residential amenity, highway safety and visual amenity.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0845 762 6848.

Further information is also available on The Coal Authority website at www.coal.decc.gov.uk

Property specific summary information on past, current and future coal mining activity can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
